2. Will this claim increase my rates more than the financial benefit?

Steps:

1. Prevent further damage.
2. Contact your insurance carrier.
3. File Claim.
4. Insurance company inspection
5. Receive Estimate.
6. Make repairs.

Steps to Getting Coverage

PERSONAL PROPERTY

the total amount an insurance company will pay for your personal items like your furniture, clothing, electronics and others.

Tip: Add scheduled coverage for your expensive items since policies can have category limits.

Tip: Make sure your contents are insured on a replacement cost basis so no depreciation is taken from your payout.

Replacement Cost vs ACV

Replacement cost pays out the amount needed to replace the item.

ACV pays the cost to replace the items less depreciation.

Tip: Pay a few dollars more per month to protect your property with a better payout method.

LIABILITY

the total amount an insurance company will pay for bodily injury sustained to others that you are responsible for.

Tip: Purchasing up to 500,000 can be very inexpensive. Consider purchasing up from the level you are comfortable with so you can grow into that coverage.

SCHEDULED PERSONAL PROPERTY

While the homeowners policy includes personal property, it limits certain categories like jewelry, art work, antiques and more.

Tip: To avoid the limits, schedule high value items onto the policy.
