Types of Home Insurance Policy Purchased

Most Common Homeowners Insurance Claims

We're EXPERTS HERE TO HELP YOU

Take a look at some insightful data that will help you make the best decision for your new property:

Homeowners Insurance Analysis

DWELLING

the total amount an insurance company will pay out to rebuild or repair your home!

TIP: Insure the total rebuild of your home and add an inexpensive dwelling extension to ensure you are never under covered.

Water Backup

the total amount an insurance company will pay out to rebuild or repair your home!

TIP: Insure the total rebuild of your home and add an inexpensive dwelling extension to ensure you are never under covered.

LIABILITY

the total amount an insurance company will pay for bodily injury sustained to others that you are responsible for.

TIP: Purchasing up to 500,000 can be very inexpensive. Consider purchasing up from the level you are comfortable with so you can grow into that coverage.

PERSONAL PROPERTY

the total amount an insurance company will pay for your personal items like your furniture, clothing, electronics and others.

TIP: Add scheduled coverage for your expensive items since policies can have category limits.

TIP: Make sure your contents are insured on a replacement cost basis so no depreciation is taken from your payout.

DEDUCTIBLE

the total amount an insured is responsible for out of pocket before an insurance carrier begins to pay.

TIP: Purchase a fixed deductible rather than a percentage so it remains level over the years.

SCHEDULED PERSONAL PROPERTY

While the homeowners policy includes personal property, it limits certain categories like jewelry, art work, antiques and more.

TIP: To avoid the limits, schedule high value items onto the policy.

Filing a Claim

First, Consider:

1. Is my damage more than my deductible?
2. Will this claim increase my rates more than the financial benefit?

Steps:

1. Prevent further damage.
2. Contact your insurance carrier.
3. File Claim.
4. Insurance company inspection
5. Receive Estimate.
6. Make repairs.

Replacement Cost vs ACV

Replacement cost pays out the amount needed to replace the item.

ACV pays the cost to replace the items less depreciation.

TIP: Pay a few dollars more per month to protect your property with a better payout method.
